AN INVITATION TO ALL BUDDING MUSICIANS
Ragged Rock wishes to encourage and support music in the valley. We are amateurs who enjoy making music at home and in public. Are you dreaming of being a star but find it hard to start? Spend some time with us trying out your voice and/or instrument. We will try and get you started and we will show you how we sort out pieces so that we can play them. Are you a confident musician looking for group playing or even a gig? Join us for a session to see if we can work together.

Contact Paul at craggatak bass@gmail.com or phone 01229 860 269 if interested.

NEWS FROM THE FOREST

Grizedale now has a new waymarked network of bike and walking trails. Some routes have lengthened, some are shorter and the way markers are different. The new map is available to download via the Grizedale Forestry England website or purchase at the Visitor Centre. For locals, walking trails they are familiar with, nothing really has changed but for visitors unfamiliar with the forest and reliant on a map it is best to direct them to the online map or to the Centre. We are removing the old way markers and this will continue throughout summer.
6 /7th June - Sisters in the Wild - at Grizedale campsite and cycling within the forest
7th June - Lakeland Trails Marathon - passing through at High Cross onto Parkamoor

Calling all Community Champions !

In the coming months we will be distributing leaflets to help households with their contingency planning and to provide you with information about the support available. However, to be effective, each village or community will need ways of ensuring a coordinated village response. To make this possible, Colton Parish Council is building a network of "Community Champions". If you are your local WhatsApp group administrator, you would be perfect for the role of Community Champion. The Parish Council will ensure you have useful information to share. Or, if there's not a contact group where you live, we can help you set one up. We will share guidance and resources as required.

If you are interested in being a "Community Champion", please email clerk@coltonparishcouncil.org.uk Our next meeting is on Monday 6th July at 7pm at Bouth Village Hall. www.coltonparishcouncil.gov.uk

SATTERTHWAITE PARISH COUNCIL NEWS

Satterthwaite Parish Council co-opted Howard Joseph at the April meeting and we have already put him to work getting quotes to renovate the tennis court. We have now had two visits from companies regarding the playground and are awaiting our last visit on the 4th June before putting the suggestions to the community for the final design. We still have not heard the outcome of the Community Governance review regarding parish boundaries and have put in formal feedback regarding home to school transport, especially as it adversely affects rural communities.

If you have anything you wish to raise please contact clerk@satterthwaiteparishcouncil.gov.uk

RUSLAND WITH BOUTH WI

It was an eye-opening talk at May's meeting about the present and future plans for recycling our household waste, given by Katherine Banks of Westmorland and Furness Council. She gave us many ideas about reusing and not binning. At present WFC, who covers 1,500 square miles with nearly 118,000 properties, spends £1.48 per week per household on waste disposal/recycling. Instead of going into landfill almost all of our non-recyclable waste goes down to be used to fuel Cheshire cement kilns. Among measures to be rolled out, most households will get 4 wheellie bins (2 large and 2 medium) which will include one for food waste in line with the rest of the country.

In a book review, Hilary Collins recommended Susie Dent's debut novel *Guilty by Definition*. "A mystery thriller. A most unusual, enjoyable book". Members had a valuable IT session with Zak Woods from Lakes IT Services, mainly focussing on cyber security. The walking/dining group led by Chris Jackson had a walk at Wray. Meg Fletcher has had a plant sale at Baycliffe which raised a 'truly wonderful' £630 for her school project in Rwanda.

At the Victoria Wood Theatre in Bowness many members enjoyed the poignant, funny new play '14 Again' which included many Victoria Wood songs performed brilliantly. Judy Shaw has reserved tickets for Calendar Girls at theatre by the Lake, Keswick on September 1st.

For anyone interested in craft, the Glitter and Glue group is on Tuesday afternoons at Finsthwaite Village Hall.

The next meeting on June 16th at Finsthwaite is 'blood bikes - a life-saving journey'. All welcome.

For further information on any WI business please contact Judy on tspeed585@aol.com.

CHURCH NEWS

Dear Friends

Summer is a season many of us look forward to each year. The longer days, warmer weather, and beauty of nature encourage us to slow down and appreciate the world around us. Gardens bloom with colour, birdsong fills the mornings, and families gather for holidays, walks, and shared meals. In all these simple pleasures, we can catch glimpses of God's goodness.

The Bible often reminds us that creation reflects the love and care of the Creator. It invites us to see God's hand in the beauty of the earth. Summer gives us a special opportunity to pause and notice these gifts. A peaceful sunset, a gentle breeze, or the sound of rain on a warm afternoon can become moments of quiet thanksgiving.

For many people, summer also brings a change of pace. Schools close, routines soften, and there may be more time for rest and reflection. In our busy lives, this can be a valuable chance to reconnect with something beyond us and eternal and important, something I would choose to call God. Even a few moments of stillness each day can refresh the soul.

At the same time, summer reminds us to care for one another. While some enjoy holidays and celebrations and time with family, others may feel lonely or struggle with illness, grief, or financial worries. We can share something of God's love through kindness, hospitality, and friendship. A visit, a phone call, or an invitation for tea can make a real difference.

As we enjoy this season, may we remember to thank God for His many blessings and seek ways to share His light with others. May this summer bring peace, renewal, and joy to all our hearts.

John

ST PAUL'S CHURCH, RUSLAND

Open Meeting at Rusland Reading Rooms at 7 pm on Wednesday, 3rd June

As you may know, we have been experiencing very serious structural problems at Rusland Church. For a long time the Parochial Church Council have been exploring all the options available, but very sadly have come to the conclusion that we are not able to secure the funds to repair the building.

The PCC has recommended that the church is closed and it will become the responsibility of Carlisle Diocese, which will set about finding an alternative use for it. The churchyard will be maintained and kept open to the public.

This is not a decision that has been made lightly, and we feel very sad that the situation has come to this, but feel we have no option.

There will be an open meeting to discuss these matters at Rusland Reading Rooms on Wednesday, 3 June at 7 pm, to which you are warmly invited (John Dixon).

The church will remain open for services (via the vestry door) for the time being.
