#### **123.2. Representations from members of the Public:** Matt Brereton

Broadband roll out – large network providers not interested in helping with the broadband roll out as the cost is too high. Even Open Reach aren't interested. B4RN is an option for rural communities.

There is talk about money coming from government for more buses from the Minister of Highways and Transport. Within Cumbria they are looking into creating new bus routes with volunteer drivers.

There will be elections this year for Shadow Authorities for the new government and district structure. The new structure will not be coming into force for another 12 – 18 months.

Matt asked us to contact Victoria Upton as he will support donating some money from the Members Highways Budget for appropriate signage to be installed at the end of Nursery Lane.

## **CRIME FIGURES**

Crime figures can be obtained via the Cumbria Police Website:

## **CRIME PREVENTION**

Across the whole of the county, there have been incidences of rural theft, particularly machinery and tools. Please ensure that all sheds, outbuildings and garages are secured and keys for vehicles are kept secure.

Please be vigilant and report any suspicious activity.

Cumbria Constabulary are currently carrying out operations with other agencies and community volunteers targeting rural crime.

Wagons mistakenly followed their Sat Navs and turned down into Nursery Lane and caused damage to walls and the gateway into the field opposite the play area. Dawn to write to FE to see what they are going to do about the damage. This could include work on the road with materials to be supplied by United Utilities.

We have received quotes for speed awareness signs from Pandora signs. Gary is to contact Pandora to see if we would be able to hire the signs.
