WONDERS OF RUSLAND – AN OCCASIONAL SERIES

Andy Goldsworthy eat your heart out! A new piece
of installation art has appeared at Jane Meadow,
High Dale Park. The "Green" tree warmer was
knitted by Margaret Timms, 87(Jan Benefield's
mother)over a period of a year and is sited near the
Red one she knitted some years ago. Look out for
them as you pass by!

UNUSUAL HAPPENINGS AT GRIZEDALE

On 2nd and 3rd April (Easter), there are 'odd' things
to do during the day at the Grizedale Centre.
On Friday 2nd at 8pm in the Yan there is a 'scratch
and sniff' cinema experience- *The Company Of
Wolves* (18). The organising group AND (Abandon
Normal Devices) explore classic British cinema by
'introducing odours that relate to key scenes and
dialogue, encouraging personal reminiscence as
unlocked associations bubble to the surface'. It
could be one of those unmissable experiences!
