MERRY CHRISTMAS AND A HAPPY NEW YEAR!

UPDATE FROM RUSLAND HORIZONS

On Thursday 3 November we had a massive turnout of 183 volunteers for the Rusland Fell Care Day with groups out hedge laying, coppicing, stone walling, litter picking and much more. It was a great day for conservation in the area so a huge thank you to everyone who came along. As well as that the apprentices have been braving the mud and have created a brilliant new boardwalk on Rusland Moss to allow those walking the Old Hall Farm Greenwood Trail to keep their feet dry. Have a look whilst out on your Christmas walks! The heritage skills training courses we have been running have proved overwhelmingly successful and many are now fully booked. If you have missed out this time then we will be running another programme of courses which will be available for booking from April 2017.

In other news there's lots of gathering happening with groups collecting information about dormice, hedgerows, old field names, local stories and interesting sites to see on the Greenwood Trails. Now is also the time for coppice restoration work to take place whilst the trees are dormant over the winter months. The coppicing is being undertaken by the apprentices as well as the community woodland group at Bouth.

If you want to find out more or take part in any of the projects, please get in touch with us on 01539 724555 or

email ruslandhorizons@lakedistrict.gov.uk. Keep an eye on our Rusland Horizons website for more information www.ruslandhorizons.org and follow us on Facebook: 'Rusland Horizons' and Twitter '@Rusland Horizons'

RUSLAND AND DISTRICT W.I.

The Annual Meeting of Rusland & District W.I. took place in December with much sadness. The meeting started with a tribute to Elsie Wilkinson, a member for 62 years. The piece she had written for the 2015 scrapbook about her first meeting was read and several members recounted memories of Elsie.

Mrs Sally Lister was elected as our new President and Anne Lewis and Judy Shaw continue as secretary and treasurer respectively and Judi Winterson joins the committee. Mrs. Lewis gave the annual report of our very successful year, especially as membership had reached 29, the highest for many years. Activities during the year had included a meal out, afternoon tea out in the summer, a visit to the theatre at Keswick and winning the Furness Area Quiz trophy. We had also won the Rusland Heritage trophy at Rusland Show. Adviser Mrs. Anne Walshaw conducted the election of president and then entertained us with amusing poems. In December we have our annual Carol Evening at Satterthwaite Church and the January meeting will be at Satterthwaite Parish Room on Tuesday, 17th January at 7.30 p.m. when we are looking forward to hearing Mrs. Charlotte Sharpouse talking about Old Hall Farm. Why not make a new year resolution to join this very successful W.I. You would be most welcome.

CHURCH NEWS

Dear Friends,

Bethlehem: the word can have a magical ring to it. It almost has a fairy tale quality to it. When I hear the word Bethlehem, more often than not the images that come to my mind are of children's school nativity plays and prettily arranged nativity scenes. It is a dream-like place of child angels with tinsel halos and a sweet little Mary and Joseph with tea towel hats and a baby doll for Jesus.

The couple of weeks leading up to Christmas are full of this magical Bethlehem. We sing about it in carols and we talk about it in church and school, and we have seen it on Christmas cards and Advent Calendars.

But there is another Bethlehem, the real Bethlehem as it exists at the end of 2016. It is a real town set in the Judean hills. Over the last sixty years, it has not always been a magical place but one of tensions and violence. The real Bethlehem is set firmly in the world of seemingly unsolvable political dilemmas, and human suffering. What a shame that it is so different from the Bethlehem of our imagination where everything sparkles and it even snows at Christmas.

But there is hope. For Christians there always is. Not least because Bethlehem was not a magic place when Jesus was born there either. It was a part of Roman occupied territory, with an oppressed people. Welcome to the real world, Jesus son of Mary! There was no tinsel on his manger.

Bethlehem is and was real. There long ago one more human baby was delivered and greeted the world with crying. There began a unique life that showed us forever the love which is at the heart of the universe.

ELSIE

The knowing smile, the chuckling laugh, the welcoming look, the sense of continuity. Elsie was everything to the Valley and its community and to her family and friends. We will all miss her but none will miss her more than those who were closest to her to whom she is irreplaceable. But the name lives on in 'Little Elsie', a happy reminder of someone whom we were privileged to know and love.
