MIDSUMMER MADNESS?

WOODLAND INDUSTRY REVIVAL

Tony Hill our LDNP Ranger writes: -

Stony Hazel Woods are owned and managed by us and in recent years we have been doing a lot of practical work, to return part of the woods to coppice rotation. By enclosing the northern section of the woods with deer fencing, installed by a local contractor, we are now able to commence a cycle of coppice management.

We have what is perhaps a unique situation, of having three separate charcoal burners operating in the same wood simultaneously. This may be the first time in many, many years that this has occurred in the Furness Fells.

In addition to charcoal production, wood for swill basket making, hurdles and furniture is also utilised by local craft persons.

I would encourage you to take a walk into the woods, if you have not already done so, to see the work for yourself. Enter the woods using the public footpath from Rusland Church in the south, or Force Forge at the northern end. Brewer Wood is in the area of grid reference SD 335/904.

RUSLAND MOSS NATIONAL NATURE RESERVE SD335/885 - The Rusland Valley Mosses

This year we are extending the boardwalks on the public footpaths throughout the Mosses, to improve access on the site, particularly when it is wet and/or during high tides. We are also installing a viewing platform, so the public can view the central dome on Rusland Moss, a highly attractive and atmospheric landscape, where both Red and Roe deer can be seen throughout the year.

Also, don't forget about the new opportunities for walks across the Heights from the Rusland Valley. They are well signposted and waymarked throughout. The Greenwood Trail leaflet, highlights some of the suggested routes.

For further information please contact Tony on 015394 40263.

COLTON PARISH COUNCIL NEWS

Ron Mein, who has been the Council Chairman for the past 3 years, retired at the Annual Parish Council Meeting on 14th May. He has presided over a period of change in the make-up of the Council, in the gaining of Quality Parish Status and in the numerous changes and initiatives introduced by the government, LDNPA and County and District Councils. We have been fortunate that Ron has been able to call on his experience as a County Councillor to guide us through these changes, which he did with professionalism, good humour and many hours work. He will be greatly missed and we would like to thank him on behalf of all members of the Parish and wish him a healthy and happy retirement.

Cllr Colin Barr is our new Chairman for 2007/2008, and under his Chairmanship we are confident that the Council will continue to move forward. Anyone interested in being considered for filling the vacant seat in Central Ward should contact the Clerk on 01229 885 647.

Following several reports of traffic travelling at inappropriate speeds in parts of the parish, CCC Traffic Management Department has loaned the parish council a Mobile Electronic Speed Reduction Device, in an attempt to draw drivers' attention to the speed at which they are travelling. This is being placed in various parts of the parish on a weekly rota, and its effectiveness is being monitored.

The next parish council meeting is on 25th June in Finsthwaite Village Hall at 7.30pm

The cost will be only £5. For more details and an application form get in touch with Carol McNeill (contact details as above.)

Our AGM is scheduled for Tuesday 14th August at Rusland. Put it in the diary now!

RUSLAND AND DISTRICT WI

Our meeting on 15th May was a "Members' Night". A Sales Table was held and one Resolution was discussed- " This Resolution urges H M Government to stop the closure of Community Hospitals which provide essential services to local people". All present were in favour.

Members and two visitors then settled down to enjoy a demonstration of Floral Art given by our very own Margaret Dryden and Barbara Woddy. Working side by side, they gave an interesting display of their considerable skills and produced four lovely arrangements, which were raffled over supper, along with two tickets for the Holker Garden Festival.

The next meeting will be in Rusland Reading Rooms on Tuesday 19th June, when Ann Thompson will be speaking on "Designing Cards".

SATTERTHWAITE ANNUAL PARISH MEETING

There was a disappointing turnout at the Annual Parish Meeting on the 14th May. You missed an excellent presentation from the Cumbria Fire & Rescue boys who are keen to educate all of us in the art of fire prevention – prevention being better than cure when it takes a minimum of half an hour to get an appliance here! Sign up for a free home inspection, advice by the cartload, and free smoke alarms if you need them. Application forms are enclosed with this issue.

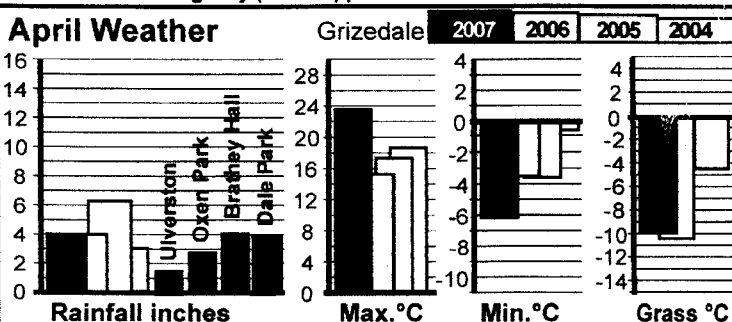

There were presentations from all the usual village organisations including a first report on PCC activity from our new Vicar, the Rev. John Dixon.

SATTERTHWAITE PARISH COUNCIL MEETINGS

A very quick Council meeting after the Annual Parish Meeting saw Mr P Townsend and Mr T Gill re-elected as Chairman and Vice Chairman respectively. The end of year financial report was received and approved and the Annual Return was completed. At a second meeting on the 22nd May the Council considered the demand for a 30mph speed limit through the village to be commissioned concurrently with the one at Grizedale. This initiative follows some specific complaints from villagers and after a short discussion, Councillors were unanimously in favour.

There was also a short discussion on developments at Stricely which had been brought to the Council's attention. In the event, Mr David Spedding, one of the owners of the site, was present and had a letter from the LDNPA enforcement officer who confirmed that developments were in order and no breach of planning laws had been made. The Council took the opportunity to stress to David Spedding the special nature of the site and the ongoing concern, which Parishioners had for this area. At present it is believed there are no immediate concerns. Next meeting Monday 9th July at 7.30pm.

Church News

Dear Friends,

I have a friend who is a vicar in Birmingham. In fact he is actually vicar of Spaghetti Junction (that is not the proper name of the parish, but it is accurate). He and I must have two of the most contrasting places of work in the Church of England.

As summer approaches and the roads get busier, perhaps Hawkshead will come to feel, to hassled locals, a bit more like Spaghetti Junction, but I don't think my friend would recognise it as such.

Although the pace of life is slower here than it is in other parts of the country, we still get frustrated by delays and little inconveniences, at least I do. Even here, we find ourselves rushing from one thing to another. While it is undeniably frustrating to be delayed, we need to remember that pausing is often a good thing to do. It is good to stop the rushing, the constant doing, and relish a moment or two of quietness. Quietness is even more important than ever in our loud and fast lives. We need silence. We need to learn what silence is. We need silence to make sense of the words we use and to make room for the unspoken. And we will find that silence is often more eloquent than speech because it is deeper and more complete.

The vicar of Spaghetti Junction is much better at finding and using silence than I am, which only serves to remind me how privileged we are to live in a place where silence comes on tap.

MOTHERS UNION

Unfortunately at our April gathering at Rusland our speaker was unable to attend but we had an extremely good meeting led by Barbara Watson. It gave us an opportunity to discuss the future and to plan for the next few months.

Our next meeting is our Annual Outing, Wednesday, 6 June, but we have not, as yet, decided where and what to do.
