A QUIET MONTH FOR NEWS!

VOICES OF THE VALLEY –

A musical film collage celebration of our valley. Thanks to everyone who came along to the project launch at the Reading Rooms earlier in the year, now it's your turn to join in - yes, we need your contributions!

Do you remember Ridley Scott's "Britain in a day" film that was screened on TV last year? He made a striking feature film consisting entirely of filmic contributions from local people all over the country. Inspired by this we are inviting you to send us your own material. You can film whatever you love about the Rusland valley and send to to us. This can be filmed on your video camera, your mobile phone, it can be old Video tapes, cine film, or even still photos, anything you like, just something you love or enjoy about our valley. We are looking for film from all seasons, historical and contemporary footage welcome, people, animals, landscape, weather - whatever you like.

If you haven't got any footage, why not start now? We're happy to help, offer you advice, or lend you a camera...

Call or email us for more information or to submit material.

HAWKSHEAD BOWLING CLUB

At the recent Club Open Day, twelve teams of non members, took part in a Bowling Competition, with a Barbecue and Tea.

The Rusland Rioters, Duncan Clegg, David Robinson, David Hoyle and Carl Lawton, did the Valley proud by reaching the Semi-Final. Well done!

The money raised on the day was for Hawkshead Pre-school.
