## **A QUIET MONTH FOR NEWS!**

### **VOICES OF THE VALLEY –**

A musical film collage celebration of our valley. Thanks to everyone who came along to the project launch at the Reading Rooms earlier in the year, now it's your turn to join in - yes, we need your contributions!

Do you remember Ridley Scott's "Britain in a day" film that was screened on TV last year? He made a striking feature film consisting entirely of filmic contributions from local people all over the country. Inspired by this we are inviting you to send us your own material. You can film whatever you love about the Rusland valley and send to to us. This can be filmed on your video camera, your mobile phone, it can be old Video tapes, cine film, or even still photos, anything you like, just something you love or enjoy about our valley. We are looking for film from all seasons, historical and contemporary footage welcome, people, animals, landscape, weather - whatever you like.

If you haven't got any footage, why not start now? We're happy to help, offer you advice, or lend you a camera...

Call or email us for more information or to submit material.

The money raised on the day was for Hawkshead Pre-school.

#### RUSLAND AND DISTRICT WI

At our June meeting, Maggie Norton and friends from the Ulverston writing group, entertained us with most amusing prose and poetry which they had written themselves. If we'd had an aisle we would have been rolling in it! Maggie also read some extracts from Nellie Last's diaries. They were thanked by Jean Crabtree who also won the competition for a favourite poem. On Saturday a most successful "Bus Stop" supper was held, also at Rusland, when about 30 members and friends enjoyed a splendid three course meal. Quizzes were enjoyed and Tim Fleming played his mandolin between courses. The next meeting will be held in Satterthwaite on Tuesday, 16th July at 7.30 p.m. when Hilary Collins will talk about holiday disasters and show slides of South Africa. All welcome.

#### SATTERTHWAITE PARISH COUNCIL NEWS

A big thank you to all who came to the Wine and Cheese evening at the Café at Grizedale on 14<sup>th</sup> June and gave their contributions for the Parish Plan, especially those who signed up to contribute further in the process. We plan to give another opportunity at the Rusland show, so write down your thoughts, schemes, wishes and dreams and bring them along! The Parish Plan is for all members of the community, from the shore of Coniston Water to the shore of Windermere, so have your say.

#### OXEN PARK CINEMA CLUB

No films at the moment but we are running a film making workshop for children in years 5 to 8 at Leven Valley Primary School in the first week of the summer holiday.

If you would like to join, contact Carol. T: 01229 861 507; We will be making 2 minute films about 'Having Fun Outdoors' to enter in the Rusland Show film making class.

If anyone would like to advertise in next season's programme we would love to hear from you - it is only £25 and the same fee if you would like to sponsor a film. We rely on this support for our sustainability.

First film of next season will be on 3<sup>rd</sup> September - and who knows it could be in the Carhouse Community Cinema in Oxen Park. - Watch this space!

#### HAVE YOUR SAY - HELP MAKE DANGEROUS DOGS A THING OF THE PAST

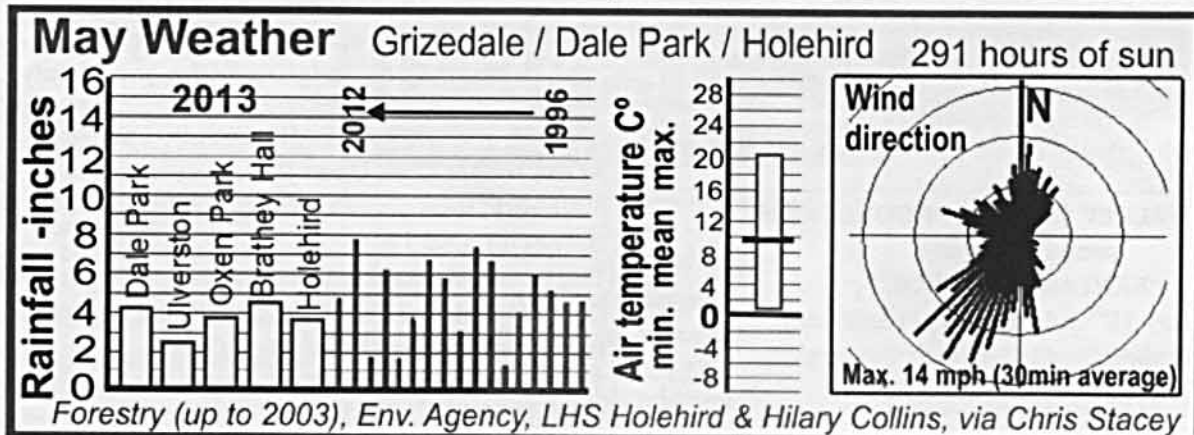

The Lake District is a wonderful place for dogs with an endless variety of walks and some pubs, cafes, shops and hotels welcoming our 4-legged friends. Whilst most dog owners are responsible, some people have experienced dogs that jump up, charge at them or may appear out of control with dog owners excusing bad behaviour as "only playing".

Existing laws cover attacks by dogs in public places and prohibited areas, but what about private property? There have been at least 2 recent deaths by mauling on private land but current laws mean that the Police cannot prosecute anyone. In response to this a Government e-petition has been opened calling for the law to be changed, you can view (or join) this online at <http://epetitions.direct.gov.uk/petitions/47845>

The Government is considering plans to tackle irresponsible dog owners by adding clauses to the Anti-social Behaviour, Crime and Policing Bill 2013. This could mean a two-year jail sentence for dog owners if their dog is 'dangerously out of control' including private places, and identifying problem dogs early before problems develop such as insisting on dog training classes. These measures rely on people reporting a problem dog to the Police or Environmental Health so that action can be taken.

In our area there are several dog trainers and dog behaviour specialists who can help dog owners and assist with any training and behaviour problems their dogs may have. Contact your local Vet or pet shop for details.

*Free, confidential advice and help is available from the Citizens Advice Bureau on any aspect of debt, benefits, housing, employment and any other problems.
