“SEASON OF MISTS”

RUSLAND HORIZONS' PARTY

There will be a FREE Christmas Party at The Yan, Grizedale on Saturday 13th December, starting at 7 pm sharp. The evening will include a Director's Cut premier of the new Rusland Horizons video, made by Tim Fleming and Tom Lloyd, and starring several local heroes. There will be food and drink, and live music by some of your favourite local musicians. There will also be a chance to find out more about Rusland Horizons. Just bring a friend and turn up. You don't need a ticket but it would be helpful if you could let Colin Barr or Giles W-S know if you're coming. Our thanks to the Forestry Commission for providing the venue. Meanwhile, you have a chance to have your say about what Rusland Horizons is up to, and what it should be doing. Go to www.surveymonkey.com/r/JF7L2DW to complete a five-minute questionnaire. And you can go to www.ruslandhorizons.org for more information.

POACHING ON INCREASE

There has been a recent increase in poaching of red deer in the valley. This is being done with illegal, under-powered rifles causing drawn-out and agonising deaths. If you see any suspicious activity, especially late at night, please ring 101 immediately and ask to be put through to PC Jon Reed (Collar number 574), the Wildlife Officer, to report your observations. If there's something nasty actually taking place, then ring 999.

HATE WINTER?

Looking ahead to spring? Now is the time to plant your Spring Bulbs. The Rusland Spring Show will be held at the end of March 2015, so let us all get cracking, make a really good Show with lots of exhibits and also cheer up our homes after the dark winter nights with some beautiful pots of flowers.

BROADBAND FAST APPROACHING!

It is expected that parts of the area (Satterthwaite, Greenodd and Newby Bridge exchanges) will be connected to Superfast Broadband (fibre) before the end of the year. For more information see Mike Postle's excellent blog at <http://postleorg.coffeecup.com/stream/>
