DREADING WINTER?

Cheer up. Spring will soon be here!!!!!!

Now is the time to plant up all of your pots and bowls
with bulbs, ready for the Spring Show, which we hope
to hold at the beginning of April 2014.

So get cracking and let us have lots of entries to make
a good Show.

OXEN PARK CINEMA CLUB

The season got started with a great turn out at
Greenodd for the showing of the film ARGO and also
our first Supper Special at Finsthwaite - the
film, UNTOUCHABLE was unforgettable.

LIFE OF PI is to be shown at the Backbarrow Outback
Hall (behind the primary school) on Tuesday 1st

October at 7.30pm. There is plenty of space, so just
turn up. A cushion is recommended (school chairs!).

Tea and coffee will be served and there will be a raffle.

AMOUR and SKYFALL will be the first films to be

shown in The Carthouse Community Cinema in Oxen

Park - please book your seats early as, with only room

for 40, we could get full up and have to turn people

away. More about this exciting project in a few weeks.

If you are not one already, why not become a member

and then you will be invited to one of our Carthouse

opening nights - what could be better than that!
