A BUSY AUTUMN AHEAD!

RUSLAND VALLEY HORTICULTURAL SOCIETY 129TH ANNUAL SHOW,

Despite it having rained virtually all summer, and the severe weather warning for the weekend, Rusland Show was again bathed in sunshine and deemed a sizzling success. Well, they say the sun always shines on the righteous!

Once the small army of helpers had erected and cleaned the marquees, and the entrants had placed their exhibits, the show was a wonder to behold. We have such talent and ingenuity in our community. Particularly impressive were the group entries on the theme of "the Diamond Jubilee", which was won by the Crosslanders.

The craft tent was buzzing with activity all afternoon, while the track and field events, wrestling and fell races got underway outside. In the track races James Thornley from Grizedale showed his competitors a clean pair of heels and won both the 90m and the 200m. Megan Busby won both events in the girls' classes. The ladies egg and spoon drew such a field of competitors that there had to be heats, with the hotly contested final being won by Fiona Evans.

The wrestling classes were won by Jack, Joshua and Joe Threlfall, Ben Brocklebank, Connie Hodgson and Adrian Myers. In the fell racing, Craig Roberts was dominant, winning both the 5 mile and the short race, and was the first veteran over 40. Particularly impressive was Anna Lupton from Radcliffe AC who smashed the women's record and finished 3rd overall in the 5 mile race and 2nd overall in the short race. The under 17 race was won by Oscar Meanwell from Rusland who also picked up the trophy for the best local performance, and the Under 14 race by Ashley Brindle from Kendal.

There were 31 runners in the Under 12 race, many from Ambleside, who together with their supporters caused the commentator to ask "is anyone left in Ambleside this afternoon?". The race was won by Luke Bowen from Ambleside.

In what is always a highlight of the afternoon, there was a wide variety of dogs of all shapes and sizes in the Pet Show, and the president had his work cut out to judge the dog with the waggiest tail. There were also some hens in the other pet classes who seemed to be enjoying their trip out to the show field.

On seeing some visitors from Merseyside leaving the show field, I asked whether they had enjoyed the show "Of course" was the reply "Rusland always puts on the best show". Well done everyone, see you all next year for the 130th show.
